Trains and Boats and Planes
Are Passing By
They mean a trip to paris or rome
To someone else
But not for me
The trains and the boats and planes
Took you away... away from me.

We were so in love
And high above
We had a star to wish upon wish
And dreams come true.. but not for me
The trains and the boats and planes
Took you away... away from me.

You are from another part of the world
You had to go for a while then
You said you soon would return again
I waited here like i promised too
I'm waiting here but where are you

Trains and boats and planes
Took you away
But everytime i see them i pray
And with my prayer can across the see
The trains and the boats and planes
Will bring you back, back home to me
