Waste my time
Drinking in your lines
Going crazy
Going crazy

A Sound of lines going off in my head
like fireflies like bullets flying

Baby what'd i do to you , to make you feel so strong
I'm not telling you that youve been wrong

Oh Darling.. What'd you ever do for me?
Darling.. What'd you ever do for me?

All those years... when your so good at taking
You were so good, Maybe i was faking

Again i see, your having your way
Your own way your own say

Baby what'd i do to you to make you feel so strong?
I'm not telling you that youve been wrong

Oh Darlin'.. What'd you ever do for me?
Darlin'.. What'd you ever do for me?
For.. Me

I live my life, inside you're head
I should be gone but now instead
I wait.. for redemption.
I've been good and ive been bad too

You're to good but its too bad for you
I'm all sung out, but say, whats left for you?.

Baby, what'd to you to make you feel that strong
It's a miracle that i'm not gone

Oh darlin'.. what'd you ever do for me, darlin'?
What'd you ever do for me, Darlin'?
What'd you ever do for me, Darlin'?

What'd you ever do for me? For me?
