The snows coming down
I'm watching it fall
Lots of people around
Baby please come home

The church bells in town
There ringing a song
What a happy sound
Baby please come home

There singing deck the halls
But it's not like Christmas at all
I remember when you were here
And all the fun we had last year

Pretty lights on the tree
I'm watching 'em shine
You should be here with me
Baby please come home

Baby please come home
Baby please come home
Baby please come home
Come home, come home

There singing deck the halls
But it's not like Christmas at all
I remember when you were here
And all the fun we had last year

If there was a way
I'd hold back this tears
But it's Christmas day
Baby please come home

Baby please come home
Baby please come home
Baby please come home
Come home, come home

Baby please come home
Baby please come home

Baby please come home
Come home, come home
