Oh-Ooh
Oh-Ooh
Oh-Ooh
Oh-Ooh

Gimme music, now I need it
Gotta lose it, wanna move it
Faster, louder
Keep it going all night
I can take it to the limit
Move it, how I like

Bodies poppin
Never stopping
Feelin free like I'm alive

Ive become a wild thing (yeah uh huh) I know that
Ive become a wild thing (yeah uh huh) So what?
This music makes my heart sing (yeah uh huh) You
know that
Ive become a wild thing (uh oh oh)

I know you see me with my body moving out of control
I know you see me, dont you know that I got body
control
This beats electric baby, shockin me right down to my
soul
I know you see me I got b-b-body control
(I-I got body control, I-I Ive said I got body control)

I can move my body, body
You know I like to party
Tell the DJ, girls are ready, leave that beat to drop

I can take it to the limit
Move it, how I like
Bodies poppin
Never stopping
Feelin free like I'm alive

Ive become a wild thing (yeah uh huh) I know that
Ive become a wild thing (yeah uh huh) So what?

This music makes my heart sing (yeah uh huh) You
know that
I've become a wild thing (uh oh oh)

I know you see me with my body moving out of control

I know you see me, don't you know that I got body
control
This beats electric baby, shockin me right down to my
soul
I know you see me I got b-b-body control

I know you see me with my body moving out of control
I know you see me, don't you know that I got body
control
This beats electric baby, shockin me right down to my
soul
I know you see me I got b-b-body control
(I-I got body control, I-I I've said I got body control)

Give me a minute
I'm on a mission so listen
I got the fire, I'm wild
I'm never tired, don't stop
No I never slow down
Whether you like it or not
I'm gonna shut down the spot
I'm taking over the top

I know you see me with my body moving out of control
I know you see me, don't you know that I got body
control
This beats electric baby, shockin me right down to my
soul
I know you see me I got b-b-body control

I know you see me with my body moving out of control
I know you see me, don't you know that I got body
control
This beats electric baby, shockin me right down to my
soul
I know you see me I got b-b-body control

(I-I got body control, I-I I've said I got body control)
