Lately it seems that I am feeling
A little preoccupied
'Cause I've got nothing but your sweet loving on my
mind
I don't usually say these kinds of things
I'm pretty reserved at the best of times
But you've made an animal out of me
And baby, you're driving me wild

See I'd do anything to please you
I'd even get down on my knees for you
And if you pick me up and take me out
You can bet that I will put out for you

And I come onto you
When you come home from work
And you laugh and say "my hands are dirty, girl"
And I throw my arms around you and say I don't mind
'Cause my mind, my mind is dirty too

I wanna cruise your main drag
I wanna be your love slave
I wanna be your close shave, I'm begging you, come
close to me
Let's take a walk out in your garden
You can show me all your birds and your bees
I like the way your peaches hang
Baby won't you let me shake your thing

And I come onto you
When you come home from work
And you laugh and say "my hands are dirty, girl"
But I throw my arms around you and say I don't mind
'Cause my mind, my mind is dirty too

I wanna memorize you with my hands
I wanna handle you so rough and sweet
And I'll sweet talk you too and I'll sweep you clean off
your feet

Lately it seems that I am feeling
A little preoccupied, yeah

'Cause I've got nothing but your sweet loving on my
mind
And I come onto you
When you come home from work
And you laugh and say "my hands are dirty, girl"
But I throw my arms around you and say I don't mind
'Cause my mind, my mind is dirty too
My mind is dirty too, yeah
My mind is dirty too, yeah
My mind is dirty too, yeah
