I like it, I want it  
The way you make my body move  
I think I'm addicted  
I'm high off everything you do  
I'm going to call you baby  
Don't you worry 'bout a thing  
'Cos you're all I need

I'll become a slave to my habit  
Feigning for your love  
Gotta have it now

You're all I need  
Your love's a drug  
Can't get enough your love's a drug  
And I can't sleep  
Can't get enough your love's a drug,  
Your love's a drug,  
Your love's a drug

I hate it  
That feeling rushing through my veins again  
Whenever you leaving  
I feel withdrawal kicking in  
I'm going to tell you how I feel  
How I couldn't breathe  
When you're not with me

I'll become a slave to my habit  
Feigning for your love  
Gotta have it now

You're all I need  
Your love's a drug  
Can't get enough your love's a drug  
And I can't sleep  
Can't get enough your love's a drug,  
Your love's a drug,  
Your love's a drug

'Cos I miss you when you're gone  
So right what feels so wrong

That I need to have you all the time

You're all I need  
Your love's a drug  
Can't get enough your love's a drug  
And I can't sleep  
Can't get enough your love's a drug,  
Your love's a drug

You're all I need  
Your love's a drug  
Can't get enough your love's a drug  
And I can't sleep  
Can't get enough your love's a drug,  
Your love's a drug,  
Your love's a drug
