I like watching the sun
Comin' up in the morning
I like to start right in
Where I know there's work to be done
I like to drive my pickup truck
I believe that God answers prayers
But you make your own luck
And keepin' it simple
And keepin' it strong
I'm Country As The Day Is Long

I like people who know
Where to draw the line
Who can tell the difference
Between the truth and a lie
I like a guy who will stand and fight
When someone needs to do what's right
And have the guts
To admit when he's wrong
Cause that's Country As The Day Is Long

You can find folks
Exactly like me
From Maine to California
And all in between
Some say we're a dying breed
But I don't think so
Yeah fine folks
Salt of the earth
Who knows a man's bank account
Ain't what he's worth
True as a country song
Country As The Day Is Long
Country As The Day Is Long

(Spoken) Alright now listen to me
I like the smell of the rain
On a dusty road
And the feel of a shirt
That's been dried outside on the line
