Hey Love No Fair
You don't play by the rules
Sometimes I wonder if you care
You kick me when I'm down
And left my heart up in the air
Hey Love No Fair

Why must you remain a mystery
I still don't have a clue
If I hold a winning hand
Should I bid on you again
Knowing well that there's a chance
That I could lose

Hey Love No Fair
You don't play by the rules
Sometimes I wonder if you care
You kick me when I'm down
And left my heart up in the air
Hey Love No Fair

What's with all these strange emotions
Moving me this way
I just got used to solitude
Suddenly you're standing there
I don't know if I dare
To get back in this game

Hey Love No Fair
You don't play by the rules
Sometimes I wonder if you care
You kick me when I'm down
And left my heart up in the air
Hey Love No Fair

You were hidin'
While I was seekin'
Now you're creeping into my heart
(Haw)

Hey Love No Fair

You don't play by the rules
Sometimes I wonder if you care
You kick me when I'm down
And left my heart up in the air
Hey Love No Fair
