Mirror, mirror, on the wall  
Oh so powerfull crystal ball  
Will I stand tall?  
Will I fall?  
Tell me, magic ball  
Ah-a aha ah-a  
Will I stand tall  
Or will I fall?  
Tell me, tell me  
Darker secrets set with light  
Sell all trimmings on your future bright  
Confiding, or should I say surviving  
Not with caution, 'cos it's triving  
Not to make the same mistake twice  
'Cos that could be like walking on thin ice  
Asking the third, I'd watch your step  
Might have had nine lifes, but only got one left  
Live or die, left for cry, eat the rhythm  
Success, failure or something in the middle  
How will it be, only the ball can see  
So look on that, don't ask me  
Mirror, mirror, on the wall  
Oh so powerfull crystal ball  
Will I stand tall?  
Will I fall?  
Tell me, magic ball  
Ah-a aha ah-a  
Will I stand tall  
Or will I fall?  
Tell me, tell me  
Magic ball  
Ah-a aha ah-a  
Will I stand tall  
Or will I fall?  
Tell me, tell me  
Ah-a if I must fall  
Bring me the evil, power, emotion  
Deep down, deep into the ocean  
See the light and you'll go far  
'Cos in the sky there is a star  
I summit to the ball: "Please, I hope to see peace"  
Hope is all we've got between war 'n peace

Hold the world's faith without feeling different  
Hope we realize that what we've got is sufficient  
There's only one planet, only one faith  
Of the five billion people of the human race  
Oh so mysterious crystall ball  
Will they rise, or will the fall?  
Tomorrow, future, destiny come  
All faith, if their goals fade away  
This is the power of the fourth dimension  
Mirror, mirror, on the wall  
Oh so powerfull crystal ball  
Will I stand tall?  
Will I fall?  
Tell me, magic ball  
Ah-a aha ah-a  
Will I stand tall  
Or will I fall?  
Tell me, tell me  
Magic ball  
Ah-a aha ah-a  
Will I stand tall  
Or will I fall?  
Tell me, tell me  
Ah-a if I must fall  
Stormy weather, bright blue sky  
Will I live, will I die?  
Will the fortune pass me by?  
Will I laugh, will I cry?  
Mirror, mirror, on the wall  
Oh so powerfull crystal ball  
Will I stand tall?  
Will I fall?  
Tell me, magic ball  
Ah-a aha ah-a  
Will I stand tall  
Or will I fall?  
Tell me, tell me  
Magic ball  
Ah-a aha ah-a  
Will I stand tall  
Or will I fall?  
Tell me, tell me  
Ah-a aha ah-a  
Will I stand tall  
Or will I fall?  
Tell me, tell me  
Magic ball  
Ah-a aha ah-a  
Will I stand tall  
Or will I fall?  
Tell me, tell me
