This one's dedicated to all them rude boys
Advance, flow down the line
Shoot no dog, just have a good time!
Ring the alarm, kick up a stamp
Jump up, jump up to the break of dawn
Ring the alarm, kick up a stamp
Jump up, jump up to the dedication
Mi no jump, mi no dress
And ya know mi not bluff
Rough and she's tough
And ya know she's reggaemuff
Lord have mercy, mercy me
Original K with a new stylee
Let's move to the high-tech music
With a little funky groove that will move ya
Twist and turn, soon will you learn how to earn
Before you know it, you're gonna be a winner
Yes sir, will you chew what them say to the rhythm ????

Sit down, get down, lady K is gonna suit ya
Move your feet, turn and let your body heat
Feel the temperature rise!

This one's dedicated to all them rude boys
Feel the funkyness I bring
Let me hear you people sing
This one's dedicated to all them rude boys
Feel the funkyness I bring
Let me hear you people sing
She a rum gal
Yes she a roughneck
Full up a style
And she full up a power
She a rum gal
Yes she a rouchneck
Original K come for ears some ah
Exceed on the bounds of your wildest fantasies
Come on be a little bit more constructive
I don't wanna hesitate or dictate ya
I just want ya all to know they're behind so dance!
To the wet style

This one's dedicated to all them rude boys
Feel the funkyness I bring
Let me hear you people sing

This one's dedicated to all them rude boys
Feel the funkyness I bring
Let me hear you people sing
To the wet style
Now's the time, take the chance
Everybody on the floor, advance
Flow down the line
Shoot no dog, just have a good time
This one's dedicated to all them rude boys
Ah-au ah-ah-au
