You call me up, in tears again  
I come over  
Your only friend  
Put my arms around you  
To stop this lonely night  
You ask me to stay  
I don't think it's right

When you tell me you're in love with him  
Don't you know that really caves me in  
And i'm not that strong

[Chorus]  
Someone should tell you  
How much i love you  
Cos i really do  
Wish i could hold you  
The way that i want to  
Cos no one, can love you, like i do

You're everything, that i ever dreamed  
You're the only one  
The only one for me  
So we talk all night  
But in my head  
Three little words, that i never said

You say you don't know what you'd do without me  
Don't you know that this is killing me  
And i'm not that strong

[Chorus]

When you tell me you're in love with him  
Don't you know that really caves me in  
And i'm not that strong  
No i'm not that strong

[Chorus x2]
