There ain't no speed limit
When it comes to catchin' you
Knowin' in a New York minute
I could have your engine runnin' smooth
There ain't no speed limit
On how fast my love could go
To win your soul
When your heart's in it
There ain't no speed limit

I just can't handle the thought of losing any ground
I know life's a gamble everytime I hammer down
Pedal to the metal yeah that's the life I choose
And I'm comin' through
If anybody tries to slow me down I'll pass 'em at the
speed of sound for you

There ain't no speed limit
When it comes to catchin' you
Knowin' in a New York minute
I could have your engine runnin' smooth
There ain't no speed limit
On how fast my love could go
To win your soul
When your heart's in it
There ain't no speed limit

Ah let's go!

Why don't those damn plain people get out of my way
Life in the fast lane is where I wanna stay
Pedal to the metal yeah that's the life I choose
And I'm comin' through
Girl you got my heart on fire and I'd burn the rubber off
my tires for you

Cause there ain't no speed limit
When it comes to catchin' you
Knowin' in a New York minute
I could have your engine runnin' smooth
There ain't no speed limit
On how fast my love could go

To win your soul
When your heart's in it
There ain't no speed limit
