As you walk my way  
Do you see my face  
Sad behind a smile  
Fake it for awhile  
Tell me what should I do?

Can I get closer to you  
Tell me the truth  
Can I get an answer from you  
Show me a sign  
Here I stand with my heart in my hands  
And all I do  
To get closer to you

As I stand alone  
Sinking like a stone  
You can save me now  
I can't live without  
Tell me what should I do?

Can I get closer to you  
Tell me the truth  
Can I get an answer from you

Show me a sign  
Here I stand with my heart in my hands  
And all I do  
To get closer to you

If you walked my way  
Would you see my face?

Can I get closer to you  
Tell me the truth  
Can I get an answer from you  
Show me a sign  
Here I stand with my heart in my hands  
And all I do  
To get closer to you

To get closer to you  
And all I do

To get closer to you  
And all I do  
To get closer to you  
And all I do
