So fake that  
You hate it  
A city that seems so jaded  
I can't  
I can't end up like that  
It's all about what you drive  
Who you know  
In a second it'll swallow you whole  
And so fast  
Just like that  
You're way off track

To all you  
Who want to  
You want to  
It just ain't worth it  
To all you  
Who need to  
You need to know

I don't give a fuck that you can't stand me  
I've finally had enough of what you say  
Now you're talking tough cause you back-stabbed me  
You're my derailment

So sick and so shameless  
I swore I'd never start by saying  
Do you know  
You know who I am  
It's not about what you drive  
Who you know  
Cause when it's gone  
You'll be standing alone  
And so fast  
Just like that  
You can't go back

To all you  
Who want to  
You want to  
It just ain't worth it  
To all you

Who need to  
You need to know

I don't give a fuck that you can't stand me  
I've finally had enough of what you say  
Now you're talking tough cause you back-stabbed me  
You're my derailment

It's funny how you lie and try to wreck me  
It's funny how you're falling on your face  
I'm never gonna let you disrespect me  
You're my derailment

The train is off the tracks  
I'm not looking back

I don't give a fuck that you can't stand me  
I've finally had enough of what you say  
Now you're talking tough cause you back-stabbed me  
You're my derailment

It's funny how you lie and try to wreck me  
It's funny how you're falling on your face  
I'm never going to let you disrespect me  
You're my derailment

Where do we go from here  
With everything so unclear  
Turned out to be by far my longest year  
It's too late to turn back time  
I'll never make it out alive  
End of the day I see through all your lies
