I'm tired  
Of hoping and waiting and anticipating to see her there  
I work out, the cure is to ask her if she'll clear up  
disaster  
Sit and stare

What's the worst that you could do or say?  
Another chance is gone, of mine away

I wonder  
Will I always be that taken?  
I never  
Ask anything from anyone  
Just another lonely kid,  
Nothing to hold onto  
Nothing to hold onto

You've waited, it's wasted, it's hopeless, it's too late,  
you fucked up, your chance is gone  
You've waited, to take it, the risks were too high to  
explain, your chance is gone, gone, gone

What's the point when your future moves so fast?  
Now you'll regret this opportunity you could've have

I wonder  
Will I always be that taken?  
I never  
Ask anything from anyone  
Just another nameless band  
With no hope to hold onto  
Hold onto

Let's Go

I wonder  
Will I always be that taken?  
I never  
Ask anything from anyone  
Just another lonely kid  
With nothing to hold onto

Hold onto [x2]
