God knows what is hiding in that weak and drunken
heart
I guess you kissed the girls and made them cry
those Hardfaced Queens of misadventure
God knows what is hiding in those weak and sunken
eyes
a Fiery throng of muted angels
Giving love and getting nothing back

People help the people
And if your homesick, give me your hand and i'll hold it
People help the people
And nothing will drag you down
Oh and if I had a brain, Oh and if I had a brain
i'd be cold as a stone and rich as the fool
That turned, all those good hearts away

God knows what is hiding, in that world of little
consequence
Behind the tears, inside the lies
A thousand slowly dying sunsets
God knows what is hiding in those weak and drunken
hearts

I guess the loneliness came knocking
No one needs to be alone, oh save me

People help the people
And if your homesick, give me your hand and i'll hold it
People help the people
Nothing will drag you down
Oh and if I had a brain, Oh and if I had a brain
I'd be cold as a stone and rich as the fool
That turned, all those good hearts away

People help the people
And if your homesick, give me your hand and I'll hold it
People help the people
Nothing will drag you down
Oh and if I had a brain, Oh and if I had a brain
I'd be cold as a stone and rich as the fool
That turned, all those good hearts away
