Now here's the deal honey It ain't about the car crib or money Life could be oh so gravy If you'd try to understand me, baby

Now we may get mad at each other but The thing is don't stay mad forever 'coz You've been with me through stormy weather and Us two together be like bird's of a feather when

We fly so high One body, soul and mind You pick me up, when I'm coming down That's why I love having you around

That love you're giving me Is sweeter than honey You're all I'll even need All I'll ever need, I'll ever need

All you want, I'm gonna be Don't care about money It took some time to see It don't get better than this

You could be my girl forever We go together like pen meets paper Want you to bear my soldiers They can care for us when we grow older

That might sound crazy baby but The love I'm feeling for you is a lot I would give you everything I've got I love the way you love me so much

We fly, so high One body, soul and mind You pick me up, when I'm coming down That's why I love having you around

That love you're giving me Is sweeter than honey

You're all I'll ever need All I'll even need, I'll even need

All you want, I'm gonna be Don't care about money It took some time to see It don't get better than this

And since I met you, baby You touched my heart (Deeper than you know) Yeah, I wanna tell you how I feel about you Listen, I love you

That love you're giving me Is sweeter than honey You're all I'll even need Baby, you're all I'll ever need

All you want, I'm gonna be Don't care about money It took some time to see It don't get better than this

That love you're giving me Is sweeter than honey You're all I'll even need All I'll ever

All you want, I'm gonna be Don't care about money It took some time to see It don't get better than this
