Yeah, listen

Mother, Mother says there is far too many of your
crying
Wat we need is love, I believe in love
Can't explain all the feelings that you're making me
feel
My heart's in overdrive and you're behind the steering
wheel, yeah

Touching you, touching me
Touching you, God, you're touching me

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now

We'll be rocking 'til the sun comes down
I believe in a thing called love
Yeah, yeah, yeah, yeah, yeah

I wanna touch you every minute
Every hour, every day, yeah, baby
You got me in a spin but everything is a okay

Touching you, touching me
Touching you, God, you're touching me

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now

We'll be rocking 'til the sun comes down
I believe in a thing called love
Yeah, yeah, yeah, yeah, yeah

Take it higher now, take it higher now
Take it higher now, stop

All my life I've been with someone like you
And I thank God that I that I've finally found you

Touching you, touching me
Touching you, God you're touching me

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now

We'll be rocking 'til the sun comes down
I believe in a thing called love
I believe in a thing called love

I believe in a thing called love
Just listen to the rhythm of my heart
There's a chance we could make it now

We'll be rocking 'til the sun comes down
I believe in a thing called love
Yeah, yeah, yeah, yeah, yeah

Brother, brother said there's far too many of you dyin'
All we need is love, I believe in love
