Lemar If She Knew

Oh, Ohh yeah, yeah,  
She says I never listen and Iâ€™m  
unattentive to her emotions, yeah  
I say she's got tunnel vision, only sees it her way,  
So we never could work it out.  
She's all ready to give up and move on,  
but I donâ€™t think she knows,  
How I wish sometimes she could read my mind.

If she knew how bad I wanna make this work (yeah),  
How my love belongs to her,  
She wouldn't be able to walk away (never walk away).  
If she knew how bad (how bad) I gotta have her  
close (I gotta have her close),  
If I ever let her go, I wouldn't make it a single day,  
She would never have to escape  
If she knew how bad

Iâ€™ve got yeah,  
Gotta find a way to tell her how I  
feel before it is over oh,  
I guess I could have done things better  
I never should have let it get this far  
She's all ready to give up and move on,  
I donâ€™t think she knows  
How I wish sometimes she could read my mind

If she knew how bad I wanna make this work (ohh),  
How my love belongs to her (her-r-r),

She wouldn't be able to walk away.  
If she knew how bad (how bad) I gotta have her close,  
If I ever let her go (oh-h-h), I  
wouldn't make it a single day (not  
a single day),  
She would never have to escape  
If she knew how bad

The thought of losing her, cos I did something wrong  
Or cos I should have been there

whenever she needed someone ohh  
it's a feeling that I know would kill me, cos  
She's my heart, my soul, my love  
I would never give her up

If she knew how bad (hey hey) I wanna make this work,  
How my love belongs to her (oh),  
She wouldn't be able to walk away (no, no, no).  
If she knew how bad (how bad) I gotta have  
her close (gotta have her close),  
If I ever let her go (oo-oo-oo-oo), I  
wouldn't make it a single day,  
She would never have to escape  
If she knew how bad

How bad I really love her  
How bad, how bad,  
If she only knew how,  
How bad I really love her  
I just can't live without her (oh oh)  
If she knew how bad,  
If she knew how bad
