Mayday,
I gotta return to base,
I been, hit so hard,
Spinning, all over the place,
And i, cant regain control,
Dont think i'll make it home,
Is anyboday listening, on the radio?

Gotta abort this mission,
Too many lost in action,
So many wounds that can't heal up,
Both my wings have been broken,
Ohhhh Ohhhhh Ohhhhh

Help me,
I can barely breathe, i got cabin fever,
Lost control so suddenly,
And i'm trapped inside my head,
And every diary's read,
Cant see through the tears,
Somebody let me outta here

Gotta abort this mission,
Too many lost in action,
Cut too deep i keep bleeding,

I cant speak i keep choking,
Ohhhh Ohhhhh Ohhhhh

Mayday,
I gotta return to base,
I been hit so hard,
Left with a life long scar,
See i faught so hard,
Way up there in the sky,
But its only when you fall,
Thats when you realise..

Gotta abort this mission,
Too many lost in action,
So many wounds that can't heal up,
Both my wings have been broken,

Cut too deep i keep bleeding,
I cant speak i keep choking,
Theres too many lost in action,
Theres too many lost

Ohhhh Ohhhh Ohhhhhh
