All the lights agree
Traveling super speed
Every road is clear
Heading to nowhere
But I feel, I feel so alive
For the first time

Put your head to mine
And let's play across the sky
Gypsy on our way
True another...

'Cause it feels,
This feels like us
For the first time

For the first time, first time, first time
Let your light shine
Oh so brighter that still
Higher higher let your light shine
See it all the other stars
For the first time, first time let your light shine
And no all of the feeli
Brighter, brighter let your light shine
For the first time

No more rules to break
It's your life to waste
Everything we need
All that silver screen
And it feels, feels like your mind
For the first time

Ohhh
For the first time, first time
Let your light shine
Oh so brighter that still
Higher higher let your light shine
See it all the other stars
For the first time, first time let your light shine
And know all of the feel tonight

Brighter, brighter let your light shine

Tonight, tonight

We watch the world come to life, to life

Alive, alive watch the world come to life

It will be alright

Yeah!

For the first time, first time

Let your light shine

Oh so brighter that still

Higher higher let your light shine

See it all the other stars

For the first time, first time

Let your light shine

And know all of the feel tonight

Brighter, brighter let your light shine

For the first time, for the first time
