Set me free why don't you babe  
Get out my life why don't you babe  
Cause you don't really love me  
You just keep me hanging on

Noooooooooo  
You don't really love me  
You don't really love me, its so plain to see  
Ooooooh  
Trying to pin it on me  
That you don't really love me (love me)  
No no no

I saw you leaving  
I saw you get in his car  
I followed you home  
I know exactly where you are  
You're so deceiving  
See I would never have known  
You got your candy coded kisses lead me far from the  
truth  
Ooooooh  
Stop telling the world he treated me so bad  
When you're the one that (keeps me hanging on)  
Aaah  
Should have ended this so long ago  
It's a one way road  
Still you (keep me hanging on)  
Hey Hey

Set me free why don't you babe (hey, hey, hey)  
Get out my life why don't you babe  
Cause you don't really love me  
You just keep me hanging on

Noooooooooo  
You don't really love me  
You don't really love me, its so plain to see  
Ooooooh  
Trying to pin it on me  
That you don't really love me  
No no no

?

We're going at it again  
We're so bad for each other but the record don't  
change  
I should hate ya, but I can't help myself  
You got the key to my soul  
Girl I'm under your spell  
Ooooooh  
Stop telling the world he treated me so bad  
When you're the one that (keep me hanging on)
