Baby

We done come too far for this nonsense

Man, fuck that nigga

He ain't got what we got

And you know that

You are the one

You are the girl of my dreams

Now this is a nightmare

Seeing you with him, yea

'Cause we had a plan

And I gave you everything that I had

And the second that things got bad

You went and ran with someone new

But he will never love you, love you

And not the way that I do, I do

I know that I should leave but something's tellin' me

I know it too

Girl, you're playin' with destiny

(You're playin' with destiny)

Girl, you're playin' with destiny

(The way it's supposed to be)

Don't throw away you and me

(Don't throw away you and me)

Girl, you're playin' with destiny

(Playin' with destiny)

I can do this thing no longer, I'm sayin'

Can't stand to think about you making love to him

Knowin' that I turned us on many others

Foolishly faithful but never again

You are the one

You are the girl of my dreams

And the second that things got bad

You went and ran with someone new

What he will never love you, love you

And not the way that I do, I do

I know that I should leave but something's tellin' me
