I gotta figure out where Mommy keeps the dynamite.  
I'll get some measuring tape, so I can time it right.  
I know it's dangerous, I know you're thinking I am a  
fool.  
But it's the only chance I'll ever get to look so cool.  
(look so cool)

Hey, look at me  
casually walking away,  
like action movie hero boy  
in slo-mo,  
everything glowing and blowing to bits right behind  
me.

You see it all the time in theaters on the silver screen,  
like when the good guy blows the bad guy's house to  
smithereens.  
I got a movie making camera and a dozen grenades.  
I'm looking tough, I got the stuff, I got the spiffy  
shades.  
(spiffy shades)

Hey, look at me  
casually walking away,  
like action movie hero boy

in slo-mo,  
everything glowing and blowing to bits right behind  
me.

I am aware it's just a movie  
I'm aware it's a cliché  
I am aware I'm being stupid  
I'm aware of that, but hey

This is just something I gotta do. Yeah.

Hey, look at me  
casually stumbling down  
like action movie blooper reel  
in slo-mo,  
everything glowing and blowing to bits, including me.
