NEIL:

Hey you, sit down and listen  
Don't be flippant and don't be dismissin'  
Think you're a Flash encyclopedia?  
Eating breathing Macromedia  
Think you're cool sayin' "All Your Base"?  
Get that Xiao Xiao outta my face  
You gotta be kidding me with that crap  
Animutation's where it's at

Nine outta ten sociopaths agree  
You gotta see Hyakugojuuichi  
From the Moch to the Rie to the Pee to the Wee  
Just take it from me, MC NC  
You won't believe your eyes, you'll go insane  
I mean, what's up with that plastic plane?  
You're an idiot if you disagree  
You gotta see Hyakugojuuichi

If you got the time, go grab a pen  
and watch that thing again and again  
Try to figure it out, what does it mean?  
What's the significance of Mr. Bean?  
Does anybody know? Are there any takers?  
What's up with all the broken pacemakers?  
The world is full of speculation  
But nobody cracks this Animutation

Nine outta ten sociopaths agree  
You gotta see Hyakugojuuichi  
You're an idiot if you disagree  
Just take it from MC NC  
You won't believe your eyes, you'll go insane  
I mean, what's up with that plastic plane?  
From the Moch to the Rie to the Pee to the Wee  
You gotta see Hyakugojuuichi

AARON:

Wakeman is biased, like a household appliance  
Hello Kitty and McGruff have an unholy alliance  
Science is brutal and it cuts like a knife  
Not even Obi-Wan can save the yodel of life

Your name is Bob, you're my heart-throb  
I lost my job when I got fired  
by a guy named Farchie, he was full of starch,  
he smelled like an orangutan's old apartment

Found a hobo in my room, what do I do?  
He looks dead, he's full of lead,  
bleeding red onto my bedspread,  
and he also seems to be missing his head  
Why am I holding this gun and axe?  
Do exploding pacemakers cause heart attacks?  
Will Mr. Bean ever get his fill,  
Or will he just keep on telling me to kill?

NEIL:

Hey, don't you gimme that look  
You never had what it took  
I took the beef and I beefed it up  
You sat and whined while I took the cup  
of gold, you are getting old  
When you see this face you better fold  
Take this mop and shove it, boy  
'cause it's the only way you'll be employed

I am known as the Beef Bastard  
Everyone knows I'm the ultimate master  
I am known as the Beef Bastard  
Everyone else is a walking disaster  
I am known as the Beef Bastard  
Think you're fast? Well I know I'm faster!  
I am known as the Beef Bastard  
Everyone knows I'm the ultimate master

SHMORKY:

Weeeell I'm Shmorky! Eatin' PORKY!  
Whitey rap sure sounds dorky!  
Got a girl... She's a DOUBLE D!  
I slap her on the butt dressed as a bumble bee!  
I eat paste all damn day

I was in a Shakespear play  
I sit down on a lazy suzan  
Spin around like TOMMY CRUISIN!

Bong Bong Bing Bing  
I get payed to play with my thing!  
I zip out zip in zip up BEGIN  
ROOM WITH A MOOSE! Jay Leno's CHIN!  
Ambulance, Enron, Pee Wee, Pokemon  
Bulbasaur, Pikachu, Jigglypuff, THEY CHOOSE YOU!  
And I can't think of anymore to say

NEIL:  
TV SAYS DONUTS ARE HIGH IN FAT, KAZOO  
FOUND A HOBO IN MY ROOM  
IT'S PRINCESS LEIA, THE YODEL OF LIFE  
GIVE ME MY SWEATER BACK OR I'LL PLAY THE GUITAR

AARON:  
one-fifty-one Pokemon on the run  
Suzuki-san is a formation of a bun  
and a veggie burger with tsukemono  
Jay-Jay has flown away with Sonny Bono  
To the afterlife to visit Barney Feif  
And to see Pero's screenshotz of his wife  
named Chris Benoit, wearing a pretty dress,  
saying "Watashi wa animutation ga suki desu."

Do the Mario! isty-bitsy hockey  
Lipsnot is not magic like a monkey  
Captain Lou body-slams a rubber duckie  
Just like in the match of Earth vs. Funky  
Lucky Lucky nice to Mew-two,  
I need tea for two how about you,  
Mr. Coldheart, or should I say Professor?  
It looks like Lesko got revenge on my dresser

ZANDER:  
Props to Neil, he's the real deal  
His friends all call him Mr. Popiel  
He's the computer geek who doesn't shower for a week  
His looks are hot, his clothes are CHIC!  
He singlehandedly changed the face of the net  
He's an online semi-celebrity you won't forget  
He stormed onto the scene like a raging thunder  
His seizure inducing flag says "Mr. Gahbunga"

TOXIC:  
Hey kids! (gibberish) Get ready to rumble!  
(lots of gibberish) Colin Mochrie!!!

NEIL:  
TV SAYS DONUTS ARE HIGH IN FAT, KAZOO  
FOUND A HOBO IN MY ROOM  
IT'S PRINCESS LEIA, THE YODEL OF LIFE  
GIVE ME MY SWEATER BACK OR I'LL PLAY THE GUITAR

There you have it, that's the game  
151 we can all be the same  
I'm sure that it's been appetizing  
with all the subliminal advertizing  
this has been a celebration, animutation fans across

the nation  
in formation raise their hands in dedication  
to the crazy flashing psychopathic happy dancing  
super magic  
power mega ultra kitschy Hyakugojuuichi

Nine outta ten sociopaths agree  
You gotta see Hyakugojuuichi  
From the Moch to the Rie to the Pee to the Wee  
Just take it from me, MC NC  
You won't believe your eyes, you'll go insane  
I mean, what's up with that plastic plane?  
You're an idiot if you disagree  
You gotta see Hyakugojuuichi
