Old Godzilla was hoppin' around
Tokyo city like a big playground
When suddenly Batman burst from the shade
And hit Godzilla with a bat grenade
Godzilla got pissed and began to attack
But didn't expect to be blocked by Shaq
Who proceeded to open up a can of Shaq-fu
When Aaron Carter came out of the blue
And he started beating up Shaquille 'o' Neal
Then they both got flattened by the batmobile
Before it could make it back to the batcave
Abraham Lincoln popped out of his grave
And took an AK-47 out from under his hat
And blew Batman away with a ratatattat
But he ran out of bullets and he ran away
Because Optimus Prime came to save the day

(Chorus)

This is the ultimate showdown of ultimate destiny
Good guys, bad guys, and explosions as far as the eye
can see
And only one will survive I wonder who it will be
This is the ultimate showdown of ultimate destiny

Godzilla took a bite out of Optimus Prime
Like Scruff McGruff took a bite out crime
And then Shaq came back covered in a tire track
But Jackie Chan jumped out and landed on his back
And Batman was injured and trying to get steady
When Abraham Lincoln came back with a machete
But suddenly something caught his leg and he tripped
Indiana Jones took him out with his whip
Then he saw Godzilla sneaking up from behind
And he reached for his gun which he just couldn't find
'Cause Batman stole it and he shot and he missed
And Jackie Chan deflected it with his fist
Then he jumped in the air and he did a somersault
While Abraham Lincoln tried to polevault
Onto Optimus Prime but they collided in they air
Then they both got hit by a Carebear stare

(Chorus)

This is the ultimate showdown of ultimate destiny
Good guys, bad guys, and explosions as far as the eye
can see
And only one will survive I wonder who it will be
This is the ultimate showdown...

Angels sang out... in immaculate chorus...
Down from the heavens... descended Chuck Norris...
Who delivered a kick... which could shatter bones...
Into the crotch... of Indiana Jones...
Who fell over on the ground... writhing in pain...
As Batman changed back... into Bruce Wayne...
But Chuck saw through... his clever disguise...
And he crushed Batman's head... in between his thighs
Then Gandalf the gray, and Gandalf the white,
And Monty Python and the Holy Grail's black knight,
And Benito Mussolini, and the Blue Meanie,
And Cowboy Curtis, and Jambie the genie,
Robocop, The Terminator, Captain Kirk, and Darth
Vader,
Lo-pan, Superman, every single Power Ranger,
Bill S. Preston, and Theodore Logan,
Spock, The Rock, Doc Oct, and Hulk Hogan
All came out of nowhere lightning fast
And they kicked Chuck Norris in his cowboy ass
It was the bloodiest battle that the world ever saw
With civilians looking on in total awe
The fight raged on for a century
Many lives were claimed but eventually
The champion stood the rest saw the better
Mr. Rogers in a blood-stained sweater

(Chorus)

This is the ultimate showdown of ultimate destiny
Good guys, bad guys, and explosions as far as the eye
can see
And only one will survive I wonder who it will be
This is the ultimate showdown... (this is the ultimate
showdown)
This is the ultimate showdown... (this is the ultimate
showdown)
This is the ultimate showdown of ultimate destiny
