I never have a chance to say everything i want to say.  
But that's ok. I don't need to say a thing anyway. Just  
want to take it in. See the world watch it spin. Learn to  
play the violin. I'll even try to shed any words from my  
head. Thinkin' i'll take these instead.

Don't call me on the telephone. I don't wanna be alone.  
But I have grown up so leave a messege at the tone.  
Just want to take it in. See thw world watch it spin. Learn  
to play the violin. I'll even try to shed any words from  
my head. Thinkin' i'll take these instead.

And I'll take a vow of silence.

Shut Up.

Shut Up.

Shut Up.

I'll take a vow of silence.

Shut Up.

Shut Up.

Shut Up.

I'll take a vow of...

Silence means that you can't speak. Yo can't let things  
out they stay inside. You just sit and nod like a quiet  
freak. And you hold your tounge and swallow your  
pride. And if your traveling down the street and you  
suddenly witness a crime you gotta keep it to yourself  
you gotta keep inside your quietly mind. Until the end  
of time.

And you've got to.

Shut up.

Shut up.

Shut up. (Seen it Not Heard)

Shut up.

Shut up.

Shut up. (Not a single word)

Shut up. (For the rest of yur life)

Shut up.

Shut up.

Now i'm no silent snob. But Tyler and Silent Bob tend to  
do an awful job. But let me tell you son. "Hoppo Marks"  
is the one. I wouldn't be suprised if he didn't have a  
ton.

Oh I'll take a vow of silence.

Shut up.

Shut up.  
Shut up.  
I'll take a vow of silence.  
Shut up.  
Shut up.  
Shut up.  
Shut up.  
Shut up.  
Shut up.  
I'll take a vow of.  
I'll take a vow of.  
I'll take a vow of.  
Silence.  
Silence.  
Silence.
