Lock up your children.
Lock up your pets as well. (Your pets as well.)
It's time to panic, because something terrible is mad as
Hell.

So read the papers,
and read the magazines. (The magazines.)
Something's approaching,
oh no,
oh no.
And no one knows exactly what it means,
but the killer machines are coming.

Don't let your guard down, and watch your back.

It's time to panic panic panic in the city city city under
fire fire fire.
This is how to act...

When Robots Attack
(robot robot robot)
When Robots Attack
(robot robot robot)
When Robots Attack
(robot robot robot)
When Robots Attack
(robot robot robot)

They have malfunctioned.
They went insane
Here they come with buzzsaws and rattling chains.
No way to stop them.
Nowhere to run.
Robotic destruction has now begun.

I hear the beeping.
I hear the people scream. (The people scream.)
I think we're finished.
(oh my God)
How I wish that this were just a dream...

It's like a nightmare.

Have they forgotten Johnny 5? (Johnny 5)
"No disassemble." (No no no no no)
I have a feeling that we won't survive.
We'll be eaten alive by robots.

I see them rolling down the railroad track.

It's time to panic panic panic in the city city city under
fire fire fire.
This is how I act.

When Robots Attack
(robot robot robot)
When Robots Attack
(robot robot robot)
When Robots Attack
(robot robot robot)
When Robots Attack
(robot robot robot)

Robot Robot Robot Robot

SURRENDER OR DIE

In man against machine,
machine will conquer all.
In man against machine,
machine will conquer all.
In man against machine,
machine will conquer all.
In man against machine,
machine will conquer all....
