Girl, you know it's... yes, you know it's... Girl, you know it's... true

- uh uh uh, I love you

I'm in love with you, girl, 'cause you're on my mind
You're the one I think about most every time
And when you crack a smile and everything you do
Don't you understand, girl, this love is true
You're so silky hand lone' sweetin' thing
That kind of like poison upon your skin
It lightens up my day and that's all so true
Together we are one seperated, we are two
To make you all mine, all mine is my desire
'Cause you contain a quality, you, that I admire
To put it plain and simple you rule my world
So try to understand...

I'm in love, girl
I'm so in love, girl
I'm just in love, girl
And this is true, come on...

Girl, you know it's true
- uh uh uh, I love you
Yes, you know it's true
- uh uh uh, I love you
Girl, you know it's true
- my love is for you
Girl, you know it's true
- my love is for you

This sizzling thing, girl, I can't explain
My emotions start up when I hear your name
Maybe a sweet, sweet voice would ring in my ear
It stimulates my senses, girl, when you are near
And with your positive emotion love making enjoy
There's no need to bust, it's just a girl and a boy
These feelings I keep, I'm often wondering why
So I thought I might discuss this, girl, just you and I
Now what you wear I don't care how you're fuzzing
before
The reason that I like you, girl, is for what you are

If I sit and think about it you rule my world
So try to understand...

I'm in love girl
I'm so in love girl
I'm just in love girl
And this is true...

Girl, you know it's true
- uh uh uh, I love you
Yes, you know it's true
- uh uh uh, I love you
Girl, you know it's true
- my love is for you
Girl, you know it's true
- my love is for you
