Badadada (come on, yeah) Badadada Badadada (Only you) Badadada

Looking from the window above
It's like a story of love
Can you hear me
Came back only yesterday
Moving farther away
Want you near me

Chorus:

All I needed was the love you gave (love you gave)
All I needed for another day
All I ever knew
Only you

Sometimes when I think of your name
and it's only a game
And I need you
Listening to the words that you say
getting harder to stay
When I see you

Chorus:

All I needed was the love you gave (love you gave)
All I needed for another day
All I ever knew
Only you
(All I ever knew, baby baby, Only you, uh)

Baab Badadab
Babadadadab Babadadadab Babadadadab
Badab Babadab
Babadadadab Babadadadab Babadadadab

Chorus:

All I needed was the love you gave (love you gave)
All I needed for another day
All I ever knew
Only you
(oh yeah)

This is gonna take a long time
And I wonder it's mine
Can't take no more
Wonder if you'll understand
It's just the touch of your hand
Behind a closed door

Chorus:

All I needed was the love you gave (love you gave)
All I needed for another day
All I ever knew
Only you
(All I ever knew, baby baby, Only you, uh)

Baab Badadab
Babadadadab Babadadadab Babadadadab (come on
now)
Badab (yeah) Babadab (uh only you)
Babadadadab (here we go) Babadadadab
Babadadadab (uuuhhh...uuuhhh...only you... uh...come
on now)
(Listen up now...it's only you...lemon ice...uh baby
baby...finish)
