The hatch is comin' open
OK, it's open
Verified
I'm movin' outside
OK I'm letting go
Copy that
I'm starting to drift away
It really is dark out here
How am I doin'?
You're doin' fine
I'm beginnin' to see a, er, point of light on the horizon
It's, er, gettin' larger
Erm, I'm gettin' some pretty good oscillations
Oh it's, it's, it's comin' quicker now
It's, er, it's really going

Any second now.

Here we go...

Eer, wooh!

Heh heh

Hoo boy!

Heh

That that really is somethin'
Oh that's tremendous
Well that, that, that's just er, beautiful
Beautiful
Beautiful
Just beautiful

Beautiful
Beautiful
Zero gee and I feel fine

Beautiful
Beautiful
Beautiful
Just beautiful

Beautiful
Beautiful
And it looks good to me

Beautiful
Beautiful
Beautiful
Just beautiful

Beautiful
Beautiful
Reading you loud and clear

Beautiful
Beautiful
Beautiful
Just beautiful

Beautiful
Beautiful
Feel like a million dollars

Roger

Beautiful

Reading you loud and clear
