Baby you're the one, like flowers in the sun
We can only grow
And whatever occurs, speaking through the worse
I want you to know
That I will hold you up,
I'll never let you down
I'll always be around
Cause baby you're my man
I'm your biggest fan
Whatever I can do boy, I will do
Well I mean in every way
And I vow to be more than I'm able to say
Hey, hey, I hold on, hold on, hold on
For you, yu hu, you
I will rise to fight for you
Yu hu, yu hu, you

The high as we can get,... we can go
We be holding on
Let the people talk, we can... walk
Never going wrong
Cause boy I got your back
No matter how you act
No matter what you do
The loyalty you need, you can take the lead
I'll be holding on for you
And I'll do and I mean I every way
Get so high, on where the clouds come and push him
away
Hey, hey,

Hold on, hold on, for you
Yu hu, you
I will rise to fight for you
Yu hu, yu hu, you
Hold on tight, I'll be your guide
You lose your smile I'll give you mine
And we'll shine through
You're mine, wu hu, you
Baby hold tight, we be in flight
... on my side, I won't hide

Baby you... you be my guide... alright
Body and soul, love is my goal
Keep me in hold for all
Baby hold tight, we be in flight
... on my side, I won't hide
I'll be your size, you be my guide
Body and soul, love is my goal
Keep me in hold for all
... on my side, I won't hide
I'll be your size, you be my guide
Keep me in hold for all
Body and soul, love is my goal
... on my side, I won't hide
Baby you... you be my guide... alright
Body and soul, love is my goal
Keep me in hold for all
Body and soul, love is my goal
Baby hold tight we'll be alright, be by my side...
