Everything gets turned around
I'm king of lost and found
Shurely you want more

Its funny how we always knew
Putting up with what we chose
Who said we need more?

Stay with me
Stay with me
Stay my fallen beautyqueen
Stay with me
Stay with me
Stay my fallen beautyqueen

This is all beyond control
Murder on our frozen souls
Maybe you want more

No more secrets to disclose
Close the curtains,kill the fog
Maybe we want more

Stay with me
Stay with me
Stay my fallen beautyqueen
Stay with me
Stay with me
Stay my fallen beauty

If you care
Then just dont let me bleed
If you care
If you care.....(care,care,care....)
(maybe we want more)

Stay with me
Stay with me
Stay my fallen beautyqueen
Stay with me
Stay with me
Stay my fallen beauty
