He's my sunshine in the rain  
My Tylenol when I'm in pain yeah  
(Let me)tell you what he means to me,  
Like a tall glass of lemonade  
When it's burnin' hot on summer days  
He's exactly what I need

[Chorus]

He's soothing like,  
The ocean rushing on the sand  
He takes care of me  
And helps me be a better women  
He's so beautiful,  
Sometimes I stop to close my eyes  
He's exactly what, I need

He's my smile when I'm feelin' blue  
My end sleep when the day is through yeah  
When the day is through yeah  
Lem'me me tell you what he means to me  
(Yeah, she's kinda like this)  
Kinda like the feeling after your first kiss  
Except that Everyday he makes me feel like this  
He's exactly what I need

[Chorus]

He's soothing like,  
The ocean rushing on the sand  
He takes care of me baby  
And helps me be a better women  
He's so beautiful,  
Sometimes I stop to close my eyes  
He's exactly what, I need
