You're my favorite song
Truly, truly
Where all the words go wrong
When I sing along
It's getting late in the fall
I'm lonely, lonely
It seems that end of the road
Is where we're at
I nearly lost myself
I nearly lost myself
I couldn't
(Chorus)
Hey, this is the one last day
Hey, you're the best thing that happened to me
Hey, I know it's the one last day

Hey girl, I love you but I must leave
Remember years ago
You said, you said
It's the greatest time in life
That we'll ever have
I guess it might be so
But no way, no way
I'm gonna settle with that thought
Of it being so
I can't control myself
I know I can't control myself
I shouldn't
(Chorus)
