(I) close my eyes
Learn and then listen
The hardest part:
To say what I'm thinking
Precious one
We belong together
Love or life
Cry out
(Chorus)
For that love that would surely last forever
For that life where I'd be as free as ever
You're that love that would surely last forever
I know you're the one but we can't stay together...

...as one seems to be a blessing
You're left, I'm right
But I'm not good at steering
Lesson learned
Kill all the secrets
Come back and turn
Falling
(Chorus)
For that love...
Alone at last
See what I'm missing
Wait, you're back
Calling
(Chorus)
For that love...
