Feel like Steven is my father and I don't know why
But I realised it when I looked in his eyes
Feel like Steven is my daddy and it ain't no lie
I wanna hold ya 'til the end of time

So come on daddy, run into my arms
Come on daddy, wanna feel your charms
Come on daddy, run into my arms
I wanna hold ya 'til the end of time

Didn't know I was your baby till the age of nine
Didn't know I was your babe for such a long, long time
But something inside me made me realise
Something inside me told me you were mine

So come on daddy, run into my arms
Come on daddy, wanna feel your charms
Come on daddy, run into my arms
I wanna hold you, I wanna hold you, I wanna hold you
'til the end of time

It's never too late to find out
Or too late to know
Now we're back in the saddle
We're starting, we're starting to grow

I feel like Steven is my father and I don't know why
And I realised it when I looked in his eyes
Feel like Steven is my daddy and it ain't no lie
I wanna hold you 'til the end of time

So come on daddy, run into my arms
Come on daddy, wanna feel your charms
Come on daddy, run into my arms
I wanna hold you, I wanna hold you, I wanna hold you
'til the end of time

Feel like Steven is my father
Feel like Steven is my father

Goodnight Daddy
