Half past 9, quarter to ten
10:15 and we're coming around again
Hold off, are we going soft?
Flushed my Zoloft, and we're comin' around again
Found out and I almost drowned
Walked back down and we're coming around again

If I could talk I'd tell you
If I could smile I'd let you know
You are far and away
My most imaginary friend

If I could talk I'd tell you
When I could smile, I'd let you know
You are far and away

Khmer Rouge and genocide qua
Your place or Mein Kempf, now I'm givin' the dog a
bone
Slight hunch without the vaguest clue
To keep the blood balanced, now we're coming around
again
Half past 9, quarter to two
10:15, and we're coming around again

If I could talk I'd tell you
If I could smile I'd let you know
You are far and away
My most imaginary friend

If I could talk I'd tell you
When I could smile, I'd let you know
You are far and away

If I could talk I'd tell you
If I could smile I'd let you know
You are far and away
My most imaginary friend

If I could talk I'd tell you
When I could smile, I'd let you know
You are far and away
