"Into Your Arms"

I know a place where I can go
When I'm alone
Into your arms, whoa, into your arms
I can go

I know a place that's safe and warm
From the crowd
Into your arms, whoa, into your arms
I can go

And if I should fall
I know I won't be alone
Be alone any more

I know a place where I can go
When I'm alone
Into your arms, whoa, into your arms
I can go

I know a place that's safe and warm
From the crowd
Into your arms, whoa, into your arms
I can go

So if I should fall
I know I won't be alone
Be alone any more

I know a place where I can go
When I'm alone
Into your arms, whoa, into your arms
I can go, I can go
