She takes me on a rockin' stroll
If you won't wave, guess, I won't know
As by I roll, I hope you'll throw a smile at me

?Cause this here, pram, is all I've known
I won't be walking till I've grown
All I've been shown, is everything I want to see

People's knees and trunks of trees, smile at me

Looking upward to the sky, moving forward all the time
The sidewalk lines, gadunk gadunk gadunk gdai
It's warm in here, is it cold down there?
Around, out where I can only stare
I'm still aware of little but I'm gonna try

I'm gonna try
I'm gonna try
I'm gonna try
I'm gonna try, oh

She takes me on a rockin' stroll
If you won't wave, guess, I won't know
As by I roll, I hope you'll throw a smile at me

?Cause this here, pram, is all I've known
I won't be walking till I've grown
All I've been shown, is everything I want to see

People's knees and trunks of trees, smile at me.
