Subject: a better tenderfoot

Tenderfoot by smudge (or a lemonheads cover song)

Written by tom morgan (smudge) and adam young

(daisygrinders)

Tab by louisa sher (verve@dot.net.au) and

b.pemberton

The thing that throws you most in this song is the bass part

Which plays g f# e pattern on the e string  
This can be incorporated into the guitar part nicely  
But that confuses the tab a bit, so do that yrself at  
home...
