Lover, don't turn your head
Just let me walk away
I thought I might have to say
You're asking the wrong guy

She wonders how
Thinks she knows now

She'll be right
They always go bye the bye
The great big no, the great big no
The great big no, the the great big no

Is nothing okay with you?
Is nothing okay with me?
Is anything happening
To have to go to sea?

He wonders why
The indigo guy

He'll be right
They always go, bye the bye
The great big no, the great big no
The great big no

Everyone knows everything
Everyone knows everything
Nobody, has got no one to go to
(Nobody)

The great big no
The great big no
The great big no
The great big no

Whoa
(Lover, don't turn your head)
Lover, don't turn your head
(Lover, don't turn your head)

No

(Lover, don't turn your head)
Is nothing okay with you?
