Intro (same as verse riff):

E5 b/d# e5 b/d#

A5 e/g# a5 e/g#

E5 b/d# e5 b/d#

A5 e/g# a5 e/g#

E5 b/d# e5 b/d#

I know a girl, and she's

A5 e/g# a5 e/g#

All that I love in the world

E5 b/d# e5 b/d#

And I don't even know

A5 e/g# a5 e/g#

What she's thinking now

B5

If I could be with

A5 e/g#, a5 e/g#, a5 e/g#

Her tonight

B5

I know the arguing

A5 e/g#, a5 e/g#, a5 e/g#

And the spite

We'd shout together and fight

About whatever was wrong

Or what's right, it seems

That doesn't matter, but

If we could slow down

And listen hard

Stupid arguing

Disregard

Love is heat with a light

Love's a sound you can't hear
When we're far far apart,
When we're too near

If I could show you
The picture in my heart
If I could stop the words
Before they start....

(repeat verse riff)

(repeat chorus riff)

End on e5.
