### (1. Stabs Of The Past)

The wave swells  
Announcing the redemption  
The relief chokes  
Each tear its own imprisonment  
Give me a word to stop this  
Give me a word to stop this

The days just seem to faint  
Exhausted within the hour  
The stains seen in the air  
Are the ones upon my soul

### (2. Alone Again)

Is this the image reversed  
I refuse to, I don't have to take this anymore  
Don't pledge the future to the past

I see the clown with the wooden smile  
Leave me  
I see computer games shed in green  
Alone Again  
Alone Again

I'm trying to get through  
Through desperate calls  
Of insecurity, of broken faith  
It's your turn, don't be afraid  
Take a step deep inside

The wave swells  
Announcing the redemption  
The relief chokes  
No more left to say for me  
All over me alone again  
All over me alone again

Alone Again  
Alone Again

I see the clown with the wooden smile  
Leave me  
I see computer games shed in green
