"Lipstick"

Visit "[Lipstick](#)" on MotoLyrics.com

When you wear lipstick,
I always want to kiss you,
But you use your lipstick
As an excuse not to kiss me,

You prefer to kiss me in the morning,
When you have morning breath,
Or at noon,
When you have coffee breath.

Maybe I should wear lipstick too,
Maybe I should wear lipstick too,
Maybe I should wear lipstick too,
Maybe I should,
Maybe I should,
Maybe I should wear lipstick too,
Maybe I should wear lipstick too,
Maybe I should wear lipstick too,
Maybe I should wear lipstick too
