Hey matt, yeah tim, hey have you talked to mark lately?
Uhh, i haven't really talked to him but he looks pretty,
uh, down
Ha ha ha, he looks pretty, uh, down
Yeah, well, maybe we should cheer him up then
What do you, uh, suppose we should do?
Well, does he like butter tarts?

I was lying on the grass on Sunday morning of last
weekIndulging in my self-defeatMy mind was thugged
all laced and bugged all twisted wrong and beatA
comfortable three feet deepNow the fuzzy stare from
not being there on a confusing morning weakImpaired
my tribal lunar-speakAnd of course you can't become if
you only say what you would have doneSo I missed a
million miles of fun
I know it's up for melf you steal my sunshine
Making sure I'm not in too deepIf you steal my sunshine
Keeping versed and on my feet
Check, c'mere c'mere, c'mere
Wow, look at her
I know
I've never seen sharon look so bad before
I did once before, but this is pretty bad
Yeah, what do you think she got up to last night?
Ha ha ha
Well, i, karen i love you

I was lying on the bench slide in the park across the
street
L-a-t-e-r that weekMy sticky paws were in to making
straws out of big fat slurpy treatsAn incredible eight
foot heapNow the funny glare to pay a gleaming tare in
a staring under heat
Involved an under usual feetAnd I'm not only among
but I invite who I want to comeSo I missed a million
miles of fun
I know it's up for melf you steal my sunshine
Making sure I'm not in too deepIf you steal my sunshine
Keeping versed and on my feet
I know it's done for melf you steal my sunshine

Not as some and hard to seelf you steal my sunshine
Keeping dumb and built to beatlf you steal my sunshine

My Sunshinelf you steal my sunshine
