You put your flower, You put your flower, on the lips of  
my head  
I thrust myself, I thrust myself between the breasts of  
your chest  
Swallowed by a whale in the sea  
And vomited up dry on the beach  
Today we never put on our clothes  
We tried to set a record, we came close  
All in front of a mirror above a desk  
We created origami with our flesh  
Eyeball  
It may sound dirty, but it's cleaning, it's cleaning  
Today we never put on our clothes  
We tried to set a record, we came close  
All in front of a mirror above a desk  
We created origami with our flesh  
Eyeball  
It may sound dirty, but it's cleaning, it's cleaning  
This sex is ugly  
Kissing every cavity  
Every god damn thing you can list  
Shakespeare can't be abridged
