Visit "[Get Some Sleep](#)" on MotoLyrics.com

You're wide awake before the alarm starts ringing
The house is cold
I know the feeling of wishing the sun would rise faster

I'm doing alright (alright alright)
I'm doing alright (alright alright)
I'm doing alright (alright alright)
Alright, alright, alright

I've always been so bad at this
Letting you know how much you mean to me

I can't resist
I can't resist
I can't
I can't resist
I can't resist
I can't

I'm sorry if that way of thinking
Has kept you from all of your dreaming

I can't resist
I can't resist
I can't
I can't resist
I can't resist
I can't

With a little bit of luck the sun will rise faster

I'm doing alright (alright alright)
I'm doing alright (alright alright)
I'm doing alright (alright alright)
Alright, alright, alright
