Here you go  
Giving me pieces and parts  
The cheapest parts, from the shittiest places  
And there's no guarantee you'll make it home with me

I'm not like you, I get comfortable  
I'm not like you, I get comfortable

Shut-up! shut-up! shut-up!  
Shut-up! shut-up! shut-up!  
Shut-up! shut-up! shut-up!  
Shut-up! shut-up! shut-up!

I'm not like you, I get comfortable  
I'm not like you, I get comfortable

Sometimes what you give, you return  
For what you get.
