Sometimes I Feel Like I May Not Exist At All
I Feel Like I'm See Thru Always Standing 2 Feet Tall
Sometimes I Feel Like I May Not Have A Good Time
Always Hearing The Day After Than Believing
Everythings
Fine

So I Wish And I Pray That Everyday Will Be A Better Day
Yea I'm Strong I Got a lot To Say
From This Day On It'll Be A Better Day

Yea Sometimes I Know That Even Though I Try Real
Hard
It's Probably Gonna Go Back I Really, Really Hate That
Part
Yea Sometimes I Know That My Chances Dosen't Make
It
Fair
I Feel More Like I Should Just Quit I Wonder Why You
Just Don't Care

So I Wish And I Pray That Everyday Will Be A Better Day
Yea I'm Strong I Got a lot To Say
From This Day On It'll Be A Better Day

So I Wish And I Pray That Everyday Will Be A Better Day
Yea I'm Strong I Got a lot To Say
From This Day On It'll Be A Better Day

Better Day
Better Day
Better Day
Better Day
Better Day
It'll Be A Better Day
Better Day
Better Day
Better Day
Better Day
